

## **Liturgy**

**Activity Name:** Liturgical Art and Environment Work Team

**Staff Contact:** Scott Eakins, Director of Liturgy and Communications

### **Description of this opportunity:**

Three or four times each year, a team of 10 people join together to decorate, place flowers and prepare the Cathedral for major feasts and events. There is no climbing or construction involved and the work is an opportunity to be a part of the preparation of celebrations at the Cathedral.

### **Commitment of time**

You will be called on 3-4 times during the year for a few hours. Usually, once the exact date and time are determined, a request for workers will be made using the Monthly Stewardship Request Form.

### **Best Qualities for Liturgical Art and Environment Work Team Member**

Your interest in helping enhance the beauty of the Cathedral is all that is needed for this activity. Appropriate for all those high school age and above.

### **Need for volunteers:**

10 individuals are needed up to four times per year.

### **Volunteer coordination by:**

Scott Eakins, Director of Liturgy and Communications

### **Location:**

Location is always the Cathedral of St. John the Evangelist. The building is accessible to the handicapped and is located on or near several bus lines.
